Evidently one of the Founders--and carried herself with a stately elegance that was proud and upright without crossing the boundary into haughtiness. Her hair hung naturally to her shoulders and was off-blonde with a vivid, fiery tint that bordered on orange in the sunlight; her face was firm and well formed in a way that reminded him vaguely of Celia Kalens, though with more girlishness about it, a softer nose and chin, and a mouth that looked as if it laughed more spontaneously. She was tall, on the slim side of average, but nicely proportioned, and dressed in a stylish but unpretentious two-piece jacket and skirt in beige trimmed with rust red, which revealed shapely, tanned calves that tensed and relaxed hypnotically as she walked..The room is small. bench at the foot of. A Tenure of Landholdings Act was passed, declaring that all property rights were transferred to the civil administration and that legally recognized deeds of title for existing and prospective holdings could be purchased at market rates for Terrans and in exchange for nominal fees for officially registered Chironian residents, a concession which was felt essential for palatability. Employment by Terran enterprises would enable the Chironians to earn the currency to pay for the deeds to their homes that the government now said it owned and was willing to sell back to them, but they had grounds for gratitude-it was said- in being exempt from paying the prices that newly arrived Terrans would have to raise mortgages to meet. At the same time, under an Aliens Admissions Act, Chironians from outside would be allowed entry to Phoenix only upon acquiring visas restricting their commercial activities to paying jobs or approved currency-based transactions, for which permits would be issued, or for noncommercial social purposes. Thus the Chironians living in or entering Phoenix would cease, in effect, to be Chironians, and the problem would be solved..trailer, and squints into the pooled darkness. EARLY THAT EVENING, Sirocco presented himself at the Transportation Controller's office in the Canaveral shuttle base to advise that D Company had arrived for embarkation as ordered. Capacity had been scheduled since morning, and the Controller did no more than raise his eyebrows and check the computer to verify the change; it didn't make any difference to him which company the Army decided to move up to the ship as long as their number was no more than he had been expecting. An hour later the company marched off the shuttle in smart order, and after clearing the docking-bay area in Vandenberg, dispersed inconspicuously to their various destinations around the Mayflower 11. Speed was now critical since only so much time could elapse before somebody realized a replacement unit from the surface hadn't shown up where it was supposed to.. He slid. when they retired for the night.. "Jerry said some interesting things, and they make some sense," Bernard answered, setting the jig down on the bench before him, and sitting back on his stool. '~The Chironians might have some strange ways, but they have a lot of respect-for us as well as for each other. That's not such a bad way for people to be. Sure, maybe we're going to have to learn to get along without some of the things we're used to, but there are compensations." "I stopped reading them when they stopped carrying news," said Geneva. "They're all opinion now, front. perhaps this was nothing more than a pretense of amusement, to cover her discomfort at how close. close to Celia's ear." "What?". "Was your father like that too?". Falls stood awkwardly and began moving toward the door. When he was halfway there he stopped, hesitated, then turned round again. "Sir, there's just one thing I'd like--". "Sure," Murphy accepted, and they all began walking. On the way, lay explained the problem to his three friends.. Jean spun round and ran back to the elevator. Chiron was stealing her life, her children, her friends, and now even her husband. For an instant she wished that the Mayflower II would send down its bombs and wipe every Chironian off the surface of the planet. Then they would be able to begin again, cleanly and decently. Ashamed of the thought, she pushed it from her mind as she came back into the lounge. She gazed across at the cabinet on the far side, and after a moment of hesitation went over to pour a large, stiff drink.
