She had planted a young rowan from the Grove beside the fountain. They came to be sure it was thriving. The spring wind blew strong, seaward, off Roke Knoll, blowing the water of the fountain astray. Up on the slope of the Knoll they could see a little group of people: a circle of young students learning how to do tricks of illusion from the sorcerer Hega of O; Master Hand, they called him. The sparkweed, past flowering, cast its ashes on the wind. There were streaks of grey in Ember's hair...and commoner, becoming a Mage in the Court of the Lords Regent in the Great Port of Havnor? Golden."We could find no trace of him. No doubt he changed himself to a bird or a fish when he left Roke, until he came to some other island. And a wizard can hide himself from all finding spells. We sent out inquiries, in the ways we have of doing so, but nothing and nobody replied. So we set off looking for him, the Summoner to the eastern isles and I to the west. For when I thought about this man, I had begun to see in my mind's eye a great mountain, a broken cone, with a long, green land beneath it reaching to the south. I remembered my geography lessons when I was a boy at Roke, and the lay of the land on Semel, and the mountain whose name is Andanden. So I came to the High Marsh. I think I came the right way."...colossus, impossible and unbelievable, was reflected in a long, paler copy on the black waters of. Women who work magic may practice periods of celibacy as well as fasting and other disciplines believed to purify and concentrate power; but most witches lead active sexual lives, having more freedom than most village women and less need to fear abuse. Many pledge "witch-troth" with another witch or an ordinary woman. They do not often marry men, and if they do, they are likely to choose a sorcerer..She looked at him. She could not speak. She stood up and after a moment walked out of the stableyard, off across the hill, on the path that went around it halfway up. One of the dogs, her favorite, a big, ugly, heavy-headed hound, followed her. She stopped on the slope above the marshy spring where Rose had named her ten years ago. She stood there; the dog sat down beside her and looked up at her face. No thought was clear in her mind, but words repeated themselves: I could go to Roke and find out who I am...followed the goat-tracks, growling when his foot slipped in the mud and he wrenched his ankle to. Then Losen cursed and cried, and his slaves brought him wine, and the mage went out, bowing, and checking as he went to be sure that the spell of paralysis was holding..He stopped before an oak door. Instead of knocking he sketched a little sign or rune on it with the top of his staff, a light staff of some greyish wood. The door opened as a resonant voice behind it said, "Come in!". Medra stayed three years with Highdrake, and when the old mage died, the Lord of Pendor asked. The voices of the mages talking were like the voices of the stream running. The stream said its words and they said theirs, but none of them were the right words..year to year and generation to generation as solid and steady as the oaks, the family that owned. disgusted by him. "Well, he can't lift the murrain all at once. But seems like he can cure a beast if he gets to it before the staggers begin. And those not struck yet, he says he can keep it off em. So the master's sending him all about the range to do what can be done. It's too late for many." "He drinks because he drinks," she said. "With some, that's all it is. I'll be in the dairy, now. I'll lock the house door. There's... there's been strangers about. You rest yourself. It's bitter out." She wanted to be sure that he stayed indoors out of harm's way, and that nobody came harassing him. ONE WINTER AFTERNOON on the shore of the Onneva River where it fingers out into the north bight of the Great Bay of Havnor, a man stood up on the muddy sand: a man poorly dressed and poorly shod, a thin brown man with dark eyes and hair so fine and thick it shed the rain. It was raining on the low beaches of the river mouth, the fine, cold, dismal drizzle of that grey winter. His clothes were soaked. He hunched his shoulders, turned about, and set off towards a wisp of chimney smoke he saw far down the shore. Behind him were the tracks of an otter's four feet coming up from the water and the tracks of a man's two feet going away from it.. He walked down the straggling street of Purewells to Sans house, which was about midway, opposite the tavern. San, a hardbitten man in his thirties, was talking to a man on his doorstep, a stranger. When they saw Irioth they looked uneasy. San went into his house and the stranger followed.. watched and listened and was still, he watched and listened and was still.
