"You don't think that a ship full of Asiatics coming at us armed to the teeth qualifies as an emergency?" Borftein asked sarcastically..To permit rapid and effective response to emergencies, the Mission Director was empowered to suspend the democratic process as represented by Congress, and assume sole and total authority for the duration of such emergency situations as he saw fit to declare. Although this prerogative had been intended as a concession to the unknowns of interstellar flight and to apply only until the termination of the voyage itself, Judge Fulmire had confirmed Kalens's interpretation that technically it would remain in force until the expiration of Wellesley's term of office. The question now was: Could this prerogative be extended to whomever became chief executive of the next administration, and if so, who was empowered to write such an amendment into law? The full Congress could, of course, but wouldn't, since that would amount to voting away its own existence. ".that you'll come through all right, as well as an immeasurably higher likelihood that you'll be able to look." "Uh, yeah." CHAPTER FOUR.Everybody looked at Colman again, this time with a new interest. A different mood was taking bold of the room, and it was affecting the people on the screen, who were leaning forward and listening intently. So far it was just an idea, but already it was beginning to hook all of them.. "You do. Don't you like it when your team wins in the Bowl? Why do you work hard at school? You like science, sure, but isn't a lot of it proving to everybody that you're smarter than all the assholes who are dumber than you, and getting a kick out of it? Be honest. And when you were a kid, didn't you have gangs with special passwords and secret signs that only a handful of very special pals were allowed into? I bet you did." Colman nodded. "To start with, anyhow. Then, I guess, it's a case of how well you make out. You know how things operate here." After a pause he asked, "How about you?".thought and analysis."..Fulmire gestured over the books and documents spread across his desk. "The security provisions provide for Congress to vote exceptional powers to the Directorate in the event of demonstrable security demands, and for the Directorate to delegate extraordinary duties to the chief executive once they are voted that power. They do not provide for the chief executive to assume such duties for himself, and therefore neither can he do so for his successor."..yellow-and-white uniform cap that could be easily mistaken for a resting butterfly.. "Of course it is.", Jay sighed wearily. "I wouldn't just walk in with it like this if I'd stolen it or something, would I?".Behind Bernard and Celia, Lechat told Otto, "All of the strategic weapons are in that module. The remainder of this ship represents no threat whatsoever." "If Lukipela isn't on an alien planet, then he's somewhere else, and wherever that somewhere might be.. "I'll have to keep that option open until we see how things shape up." Colman said. "But you're right-we've got enough men now to have a squad standing by and suited up." "Didn't you know you were expendable?" "This shouldn't be happening," he murmured. "They're not the enemy. They

shouldn't be fighting each other." "Yes, I was about to come to that," Sirocco replied. He lifted his head a fraction to address the whole room again. "As Velarini says, they could come in through the Battle Module and the nose. The Battle Module is the main problem. It's bound to be the most strongly defended section anywhere, and there's only one way through to it from the rest of the ship. Therefore we assault it directly only if all else fails. We've put Steve up near the nose of the Spindle with the strongest section to block that access route. Steve's." "You're wrong. It's hilarious." "How many other engineers do you have here?" she inquired lightly, looking around the rest of the squad. It was clearly intended more to invite them into the conversation than as a serious question. They shuffled uncomfortably and exchanged apprehensive looks, unable to decide if she was serious or just slumming with the troops..grassy scent overlays the more subtle smell of rich, raw soil..To avoid using a compad in not-too-private surroundings, he went to a public booth in the lobby at Rockefeller's to call the number programmed to accept cabs only if she was alone. While Colman waited for a response, his mind flashed back six months. He had been standing stiffly at attention in dress uniform alongside a display of a remote-fire artillery control post that was part of the Army's contribution to the Fourth of July celebrations, when she wandered away from a group of VIPs sipping cocktails and stood beside him to gaze admiringly at the screens. carrying simulated battlefield displays. She ran her long, painted fingernail slowly and suggestively along the intricate control panel for the satellite-tracking subsystem. "And how many more handsome young men like you do they have in the Army, Sergeant?" she murmured at the displays before her.. "It's an idea," Bernard said, looking up at Lechat. "But it needs more of what Kath said-impact." .not, sent chills chasing chills along her spine, with such palpable shivers that she could almost believe the child-man, taken out of Cielo Vista, and set free..
