This machine has dials and little windows with numbers in them, and switches and pushbuttons, most of which you don't understand, but you know they are for special purposes and don't matter. The main control is a metal rod, right in front of you, with a gray plastic knob on the top. The knob is dull from years of handling; it feels warm and a little greasy in your hand. The console has a funny electric smell, but the big screen, taller than you are, is silent and dark. You can feel your heart beating against your breastbone. You grip the knob harder, push it forward just a little. The screen lights, and you are drifting across the next room as if on huge silent wheels, chairs and end tables turning into reddish silhouettes that shrink, twist and disappear as you pass through them, and for a moment you feel

dizzy because when you notice the red numbers jumping in the console to your left, it is as if the whole house were passing massively and vertiginously through itself; then you are floating out the window with the same slow and steady motion, on across the sunlit pasture where two saddle horses stand with their heads up, sniffing the wind; then a stubbled field, dropping away; and now, below you, the co-op road shines like a silver-gray stream. You press the knob down to get closer, and drop with a giddy swoop; now you are rushing along the road, overtaking and passing a yellow truck, turning the knob to steer. At first you blunder into the dark trees on either side, and once the earth surges up over you in a chaos of writhing red shapes, but now you are learning, and you soar down past the crossroads, up the farther hill, and now, now you are on the big road, flying eastward, passing all the cars, rushing toward the great world where you long to be..asked..Singh looked at each of the adults and saw no trace of doubt. And he was mildly surprised to find..They began again, climbing faster than ever, but in another hour the bottom of the moon had already..When the moon lit the clearing, the hunter returned. He could not wait until the morning. Hinda's fear had become his own. He dared not leave her alone. But he moved quietly as a beast in the dark. He left his dogs behind..telling us? We felt it meant that we were expected. Song felt that from the start, and we all came to agree..The leash broke. She bounded away down the sand. As though that were not release enough, she..265.77..hadn't improved her disposition. She had quit; she wasn't going to do anything for anybody..A lot of the other Union members had stopped in The Fig Leaf, and the place was full. Some of the guys were already buying their booze on the cuff, and everybody had glum looks on their faces. I wasn't particularly surprised when the argument between the bricklayer and the brickmaker resumed where it had left off. This time, nobody broke it up..We're above timberline, and the mountainside is too stark for my taste. I suddenly miss the rounded..Marvin Kolodny at once intuited the reason behind Barry's suddenly seizing up. He was in the business, after all, of understanding unspoken meanings and evaluating them precisely. He smiled a sympathetic, mature smile..grabbed her shoulders and held her off at arm's length to look at her..spectators? "Sure," I say. "Easy." But momentarily I'm not sure and I realize how tightly I'm gripping the..again.
