"There were a lot of suspicious things about Padawski breaking out too. It couldn't have happened the way it did without inside help. A lot of us have been thinking it was a setup to bait the Chironians into hitting back"..she'd been through, she wasn't screwed up yet; she was tough, smart; she had a chance, a future, even if..standing on it..He dries his hands thoroughly on paper towels, but then holds them under one of the hot-air blowers..Clapping her hands in delight, Leilani said, "I knew there must be some gumption in you." She rose from.It was in the last part that Chiron physics had followed a different mute. The Chironians had taken the remarkable step of extending the equivalence of mass and energy to embrace spacetime itself: All three were merely different expressions of the same "thing." A shock wave forming inside the primordial domain of tweedlestuff, they had discovered, could create an energy gradient sufficient to "tear apart" an element of composite spacetime and decompose it into its familiar dimensions of space and time, in which the laws of physics as commonly understood could come into being. Thus the Chironians had found a cause for the discontinuity that terrestrial scientists had been obliged to postulate arbitrarily.."Where to?"
